Preparing for New Medicaid Rules

Starting in 2027, some Medicaid members will need to meet new Community Engagement requirements through working, enrolling in school, or volunteering.

Could these changes apply to me?

You may be affected if you receive Medicaid through:

- Aetna Better Health of West Virginia
- The Health Plan of West Virginia
- Highmark Health Options
- Wellpoint (formerly UniCare)

Who does not need to meet the new rules?

Many people qualify for an exclusion or exception, including those who:

- Are pregnant now or were pregnant within the last 12 months
- Care for young children or a person who is disabled
- Are disabled or living with certain health conditions
- Meet TANF work requirements
- Are a member of a household that gets SNAP and are not exempt from SNAP work requirements

What should I do now?

- Keep your mailing address current
- Watch for information from DoHS
- If you are a current member, check your PATH account
- Visit WVMedicaidHelp.org
